Date: March 08, 2024
Location: Seminar Hall

The National Service Scheme unit (NSS/FU/PNT/KUHS/2) of City College observed the International Women's Day on 08/03/2024. The theme of this year was 'Choose to Challenge'. Our NSS volunteers actively arranged and participated in a seminar based on the theme. The programme started with prayer song followed by the NSS song by Mr. Praveen and team. The NSS programme Officer welcomed the gathering and introduced the speaker of the day Mrs Grace Lal, the chief guest and chief speaker of the day. Dr Sujit, Principal inaugurated the session. The chief guest was honoured with 'ponnada' by our honourable director. The session continued with an inspirational talk by Mrs Gracelal. She pointed out the importance of being a strong woman in the society. She reminded the group that women empowerment is not just limited to dominating men, but flourishing with the oppurtunities with what we have.

The seminar successfully ended with vote of thanks by Ms Mridhula Shine and National Anthem. This session was a great oppurtunity for volunteers to conduct a seminar and was a great eye opener.

Report on Plastic-Free Campus Awareness Program Conducted By NSS

The NSS wing of City College organized a Plastic-Free Campus Awareness Program on March 30, 2023 as a small initiative with just a handful of students at City College. Prof. Praveen, the NSS Programme Coordinator, welcomed the guest and the student volunteers. The programme was inaugurated by Dr. Sujit, Principal, City College. The campaign was supported by Ms, Monika, Vice-Chair person, Green Cell. All the students and staff carried different kinds of plastic-free awareness posters.

Dr.Sujit, distributed paper bags to all participants and encouraged them to go green by using cotton or paper bags in the future.

The plastic-free awareness pledge was taken by all the NSS volunteers and staff.

Following the pledge, the NSS volunteers were given instructions to use hand glows and collect the plastic waste in various spots. The volunteers actively participated and collected a total of ten large size cotton bags of plastic waste at the campus. The collected plastic waste was handed over to the maintenance department for proper disposal. Mr.V.John Sundar Raj, the NSS Program Officer (NSSUNIT-IV), made the necessary arrangements for the program.

Day 2 (27.04.2022): Awareness session on healthy food habits & Work shop activity.

We all successfully completed the event of creating Awareness session on healthy food habits.

Nowadays students are not following healthy diet, it is essential for good health and nutrition. It protects you against many chronic non communicable diseases, such as heart disease, diabetes and cancer.

Eating a variety of foods and consuming less salt, sugars and saturated and industrially-produced trans-fats, are essential for healthy diet.

Day 3 (28.04.2022): Group discussion on "what makes a person a social reformer" & Competition on 'Quotes writing'.

The word social reformers itself says that reform India into a developing country, a reform movement is distinguished from more radical social movements such as revolutionary movements. Decades come and go but what remain are the impression and great acts of the social reformers.

Such as Mahatma Gandhi's spinning wheel and the self sustaining village economy, like that everyone has to bring revolutions by making radical changes in the society for better future.

Day 7 (02.05.2022): Team work and Skills development.

The last day activity we conducted in NSS special camp was a memorable one.

Teamwork is working together of people to achieve a certain goal. Teamwork is the basic need for an organization to function in all the levels. Without teamwork nothing is possible. Moreover, if any organization lacks teamwork. Then it will hamper its success rate.

Thus the organization will fall. Also, it will affect the environment the people are working in. Especially students should the importance of Team work as they will be going to rule the world.

Report on Campus Cleaning Program Conducted By NSS

National Service Scheme is an educational program with primary focus on the development of personality of students through community service.The NSS UNIT-III of City College conducted a campus cleaning program on 21.01.21 & 22.01.21 with 50 NSS student volunteers as the part of AZADI KAMAHAUTSAV. The herbal garden of the college was chosen to clean due to the calamities of monsoon. Due to heavy thunderstorms, trees in garden fell down abruptly, which lead to obstruction of the path and the students and staff members were not able to use the herbal garden. So the NSS student's volunteers under the guidance of NSS Programme Officer Prof. Praveen and their class mentor Prof. Sarita took the initiative to clean the herbal garden. The enthusiastic and active students with necessary instruments voluntarily cleaned the premises neatly. There was unity and coordination among the volunteers which made the work easier and completed quickly. Volunteers were divided into groups, a group of volunteers cut down the trees and other group keeps away the small pieces of tree. A group of students swiped and cleaned all the leaves and made it completely clean. It was cleaned in systematic ways in 2 days. All the students were given some refreshments during the event.
